1. Introduction

This policy has been formulated in accordance with DCFS guidance on: Charging for School Activities.

2. Aim

The aim of this policy is to set out what charges will be made for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. It also sets out those activities for which charges will not be made.

3. Responsibilities

The Governing Body of the School is responsible for determining the content of the policy and the Headteacher for implementation. Any determinations with respect to individual parents will be considered jointly by the Headteacher and Governing Body.

4. Charges

Parents will be charged for the cost of some activities during school time. These include:

- (a) Board and lodging on residential trips (not to exceed the costs)

- (d) Any other education, transport or examination fee unless charges are specifically prohibited.
- (e) Breakages and replacements as a result of damages caused wilfully or negligently by pupils
- (f) Extra-curricular activities and school clubs

Schools and local authorities can also charge for any materials, books, instruments or equipment where the child's parent wishes him/her to own them.

5. Prohibition of Charges

The Governing Body of the School recognises that charges cannot be made for the following:

- (a) Education provided during school hours (Including the supply of any materials, books, instruments or other equipment)
- (b) Education provided outside of school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;

6. Publication of Information

A summary of this policy will be included in the School Prospectus which will specify what charges are/are not to be made and or which activities voluntary contributions will be invited from parents.

7. Remissions

Children whose parents are in receipt of the following support payments will be entitled to the remission of charges for board and lodging costs during residential school trips. The relevant support payments are:

- (a) Income support
- (b) Income Based Jobseekers Allowance
- (c) Support under part VI of the Immigration and Asylum Act 1999
- (d) Child tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed £15,575 (financial year end 2008/09)
- (e) The guarantee element of the State Pension Credit, and

- (f) An income related employment and support allowance that was introduced on 27th October 2008

8. Voluntary Contributions

Parents will be invited to make a voluntary contribution for:

- (a) Some of the activities that take place as part of the Foundation Stage and national curriculum in school to help to defray the costs. These could include visits, special events, visitors, photo files, theatre groups etc and by asking for voluntary contributions would enable the school to enhance the curriculum opportunities either more regularly or beyond what is usually within the means of the school budget
- (b) Some activities that take place as part of the national curriculum outside school to help defray the costs. These could include visits to places of special interest. The local area where there is a transport/admission cost and by asking for contributions this would enable the school to enhance the curriculum opportunities either more regularly or beyond that which is usually within the means of the school budget.

The terms of any request made to parents will specify that the request is for a voluntary contribution and in no way represents a charge. In addition, the following will be made clear to parents:

- (a) That the contribution is genuinely voluntary and a parent is under no obligation to pay; and
- (b) That registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The responsibility for determining the level of voluntary contribution is delegated to the Headteacher.

However, once a voluntary contribution has been made, the contribution will only be refundable under the exceptional circumstance.

Where there are insufficient contributions to cover costs, the school will endeavour to cover the costs from other budget sources. However, the school does reserve the right to cancel the trip in such circumstances in which case the voluntary contributions received will be refunded.
