Y6 Residential to Robinwood!

25 of our Y6 class went on their residential to Robinwood this week and had an AMAZING time! They worked so well as a team, encouraging each other and challenging themselves. I am so very proud of each of them, especially for following the Rivington Way whilst away from school. Staff at the centre commented on their outstanding behaviour and manners! Well done to everyone. I would also like to thank Miss Bibby, Miss Cunliffe, Mrs Wignall and Mrs Berks for accompanying the children on the trip and ensuring they created memories that they will remember forever.

TRIKIDZ

We were lucky enough to have the TriKidz project in last Friday for Years 1-6. TriKidz is a triathlon project funded by the Epic Kidz charity. They replicate the swimming event using resistance bands, cycle on adapted static racing bikes and run around a set course. All of our children and staff really enjoyed it. It was lovely to see everyone taking part and supporting each other as a team.

BY OURS COWLEY HILL LIVEABLE NEIGHBOURHOOD

PROJECT UPDATE - FEBRUARY 2024

By Ours Cowley Hill is a joint community project in partnership with Sustrans and Liverpool City Region Combined Authority. The project aims to help residents, businesses and schools re-imagine our local streets.

From 2022 and into 2023 a series of consultation workshops were held by Sustrans, alongside a survey asking the community about current issues and what they would like to see in the streets and spaces in their area, to encourage more people to walk, wheel and cycle.

St Helens Borough Council have since prioritised the list of infrastructure improvements requested by the local community against the allocated budget secured from the Active Travel Tranche 3 Fund and the Shared Prosperity Fund.

ENGAGEMENT DROP IN EVENT:

An engagement drop in event ahead of the next stage of the By Ours Cowley Hill Liveable Neighbourhood Scheme, will be held at the Deafness Resource Centre, Dentons Green Road, on Thursday 7 March, with council officers available to take any questions on the proposal from 10am-1pm and 3pm-6:30pm

THE PROPOSALS:

A signalised crossing on Duke Street, west of Hamer Street

Pedestrian accessibility improvements across a West-East corridor from Bishop Road to North Road

Raised junction tables that act as traffic calming features at five locations

A 'Pocket Park' at Cooper Street/ Chapel Street including a new footway link

New shared use footway and cycleway across Bishop Road Playing Fields
