Spanish Day

We had a wonderful day in school on Tuesday when we celebrated Spanish language day. Everybody had a very busy day being immersed in Spanish culture. Some of our highlights included singing lots of songs to help us learn new words and phrases, trying some Spanish dancing, conducting our own research into interesting places in Spain, and completing some artwork in the style of Spanish artists, such as Antoni Gaudi and Pablo Picasso. Our EYFS children even went on an adventure to 'Spain'! In KS2, the children sharpened their cooking skills in a fantastic workshop where we learnt all about traditional Spanish foods, and prepared a delicious paella to share with their friends.

A place where everyone matters!

Orienteering Day

The children all enjoyed competing and taking part in our whole school orienteering competition on Wednesday. All the children were put into explorer teams in the morning and then each team had to complete a range of orienteering challenges around the school grounds to earn points for their team. The event provided all the children with a fantastic opportunity to practise and showcase their map reading, navigation and problem solving skills as well as an opportunity for some fun cooperative teamwork.

A place where everyone matters!

Science Competition

Thank you to everyone who entered our recent Science competition. It was lovely to see how hard every child had worked on their entries.

All of the children received a certificate in assembly this morning. Our winners are:

1st Jacob Y1 – who created an AMAZING Green Energy House.

2nd George Y3 – who produced a WONDERFUL model and booklet all about Stephen Hawking.

3rd Laura Y5 – who worked so hard to create a very DETAILED description of several scientists.

Well done to all our winners and thank you to Mrs Hewitt for organising the competition.
