## Y6 visit to Edge Hill

Y6 enjoyed a visit to Edge Hill University this week. They had a tour of the campus and took part in a range of lessons. We hope it has inspired them to want to go to university in the future!

## Y1 visit to Cowley

We have been learning about animals in our Science lessons and visited Cowley this week to find out more about the animals that live there. It was a lovely afternoon and we found out lots of information about the different animals. We even got to touch some of them!
